MEMORANDUM

TO: All Staff

FROM: CEO Alastair Lamb

DATE: October 10th, 2023

SUBJECT: Chief Finance and Administration Officer

I wish to advise that Ginette Denford has resigned from her position as Chief Finance and Administration Officer with immediate effect. All finance-related issues/questions should be directed to Paige Moreland, who will engage others as required. We are working with MCCSS to provide financial assistance as needed over the short term. Further, Christine Park will be assisting me and the organization in a consultative capacity over the next few weeks. Christine will be available Monday through Friday and will be the principal conduit with MCCSS over this time.
