June 20, 2023.

Dear Ongwanada Staff,

Ongwanada is preparing to celebrate an impressive 75-year milestone as an integral part of the Kingston community. Established on August 8, 1948, Ongwanada has remained committed to offering essential supports and services to some of the community's most vulnerable residents.

We have organized a series of exciting events to commemorate our 75th anniversary, accompanied by a distinctive logo designed exclusively for this special occasion. In recognition of this milestone, the City of Kingston has officially declared August 7-11 as Ongwanada 75th Anniversary Week. Additionally, on August 16, we will host a picnic, inviting our dedicated staff, retirees, and supported individuals to join the festivities.

More details will follow as they become available.

Sincerely,

A handwritten signature in blue ink that reads "A. Alastair Lamb".

A large, faint, light green version of the Ongwanada 75 years logo is visible in the background of the letter.
